The day before the game, all the players will have to respond to a health questionnaire. The questionnaire will be distributed by the team managers twenty four hours before the games. IT IS MANDATORY TO FILL OUT THE FORM IN ORDER TO PARTICIPATE IN GAMES.

At risks individual should stay home. If you feel that you have a condition that prohibits you from wearing your mask at all times while at the field then you are considered an "At Risk" individual and you should stay home.

Travel to training and competitions with as few people as possible. Should carpooling or ride-sharing be necessary, we recommend following distancing guidelines (when possible), and wearing a mask during transit for anyone not residing in your household. Attempt to ride-share or carpool with the same individual(s), if consistently required for your family.

We have elected to refrain from tournaments during Phase 3 as it is more challenging to control potential risk. Instead, we will participate in friendlies with quality local teams. Our expectation is that those team meet the requirements of our protocol or exceed them. In the event that their protocol exceeds our, we will abide by their protocol. In the event that a team refuses to abide by our protocol or provide one of their own that is equivalent or higher, we will elect to not schedule or cancel the game in the best interest of our players, coaches, referees, and families.

If you have any questions or need to report potential exposure so that you know our requirements to return to practice and play, please email us at covid19baa@gmail.com
